

The Manadoob Foundation

The Manadoob Foundation under the auspices of the California Community Foundation was established so that we may receive grants and donations to facilitate the use of our program by organizations and families who otherwise could not experience the benefits of the Manadoob Program. Thousands of children and adults have participated in the Manadoob programs including youth clubs and organizations, domestic violence shelters, humane educational programs, public schools, private schools, after school programs, children with special needs, military children and many populations where the Manadoob Program can improve the lives of children.

The Manadoob Foundation has been the recipient of many grants and financial awards including the Conrad Hilton Foundation, Cheryl & Haim Saban, and the Walter and Karla Goldschmidt Foundation.
